RE: Application of DialTone & More, Inc. for a Certificate of Public Convenience and Necessity to Provide Intrastate Resold Telecommunications Services in the State of South Carolina
Docket No. 2005-123-C, Our File No. 1066-10319

Dear Mr. Terreni:

The return date in this Docket has passed without intervention. DialTone & More, Inc. ("Applicant") already possesses a Certificate of Public Convenience and Necessity to Resell Local Telecommunications services granted in Docket 1998-50-C, by Order No. 1998-394 dated May 29, 1998. The Verified Testimony of Kimberly M. Smith on behalf of the Applicant was filed with the Commission on August 1, 2005.

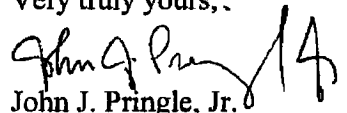

The Applicant has agreed to make all tariff changes suggested by the Office of Regulatory Staff ("ORS"), and accordingly it is my understanding that the ORS does not oppose having this Docket heard by the Commission via Expedited Review.

Accordingly, the Applicant requests that the Commission consider the Application in this Docket at its next weekly meeting, which will take place on August 23, 2005. The Applicant hereby waives its right to a formal hearing.

Please acknowledge your receipt of this document by file-stamping the copy of this letter enclosed, and returning it in the enclosed envelope.

If you have any questions or need additional information, please do not hesitate to contact me.

Very truly yours, .

John J. Pringle, Jr.
